1983 . . . 84

This school year began with tragedy in the death of our friend and classmate, Rudy Ivey. But as the school year progressed so did our spirits. Football season was the greatest . . . the Moss Point vs Pascagoula game victory was ours! As everyone knows, victory didn't end for Moss Point at War Memorial Stadium. Not by a long shot. We went from War Memorial to Picayune to Hattiesburg and on to Jackson and the State Championship.

As Moss Point was soon to discover, holding a state title for football was not all that was in store for us. In November, Miss Lanette Womble was named Moss Point's Junior Miss and captured the title of Mississippi's Junior Miss in February.

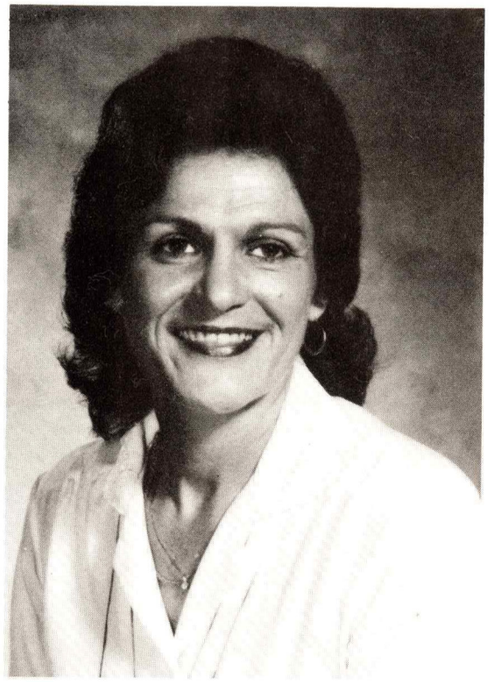
MRS. BETTY DAUGHDRILL

Class Night . . . Editor Lariyne Ware presented a plaque to Mrs. Daughdrill.



It takes a lot to be a teacher that all your students feel free to come to you for help with work or personal problems or for just a chat. This teacher has all it takes!

Rarely does a student leave Moss Point High without having had contact with Mrs. Daughdrill. She touches all our lives in one way or another, and it is with much love and appreciation for that touching that we dedicate the 1984 Growler to . . .

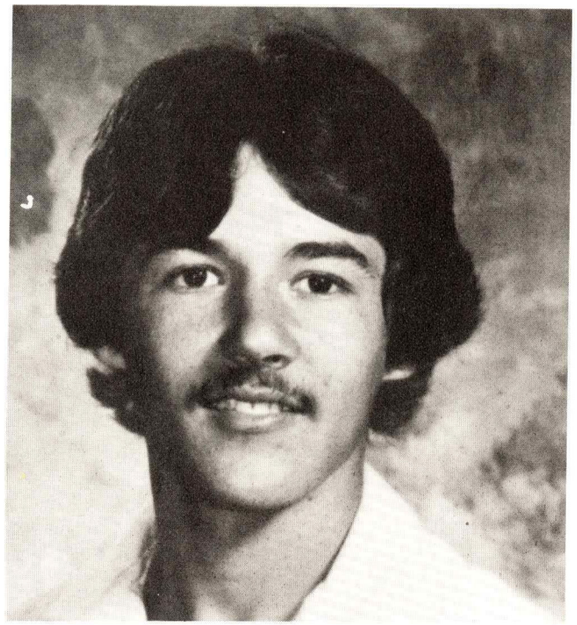
REMEMBRANCE OF
RUDY EDWARD IVEY



Rudy 1983

May 24, 1966
August 28, 1983

Rudy with a deer he shot in November of 1982

This year began on a sour note with the loss of a dear person and a great friend. Rudy was very special to all of his classmates who knew him. He was kind, loving, understanding, exciting and full of ideas. Rudy had a variety of things that occupied his time: among these were Jamie (his girlfriend), hunting, fishing, swimming, skiing, playing football or baseball and going mud-riding in his old truck. He spent a great deal of time with Jamie, his family, and friends. His special friends were Alton, Ronald, David, Van, Bryan, Alex, Tim, Lora, James, Jill and many others. Rudy was a happy person, and not often was he seen without a smile. He was loved by everyone who knew him. Rudy's motto was: Live one day at a time to its fullest.

Friendship Is Never
Limited By Distance
Or By Time.
It Can Reach
Around The World . . .
. . . And Last Forever.
